25X1

1. In late January 1952, the general who was the commander of the air force headquarters in Falkensee had not been observed in the restricted area during the preceding ten days. For one week, new officers including two captains and a colonel have been observed. Soviet Sub Lieutenant Karoshev (fnu) of the Elstal distribution point was relieved by Lieutenant Goryashev (fnu).

2. The anticipated reduction of the restricted area by shifting the northern fence to the south was not carried out because the buildings located there will be needed by the headquarters which is allegedly to be enlarged in the near future.

25X1

25X1 3. The sales stores and warehouses are allegedly to be turned over to a central German management. It is also intended to move all shops and warehouses into buildings outside the fenced area.

25X1

25X1 Comment. some changes in the organization, personnel and occupation of the Falkensee restricted area which is occupied by the corps headquarters of the ground attack units of the Twenty-Fourth Air Army.

25X1 No details are available indicating the possible purpose of these changes.
